BOOKS

My books are loved by adults and children of all ages - especially those in KS1 and lower KS2.

The man who writes them for me, Malcolm J Hogan, visits schools to talk about creating stories and he offers some super writing workshops too.

He's a Patron Of Reading you know!

If your school would like to enquire about an author visit, workshop or a performance of my stage show please do get in touch directly through my website.

WORLD BOOK DAY LYRICS

(Talking) Oh Engelbert, we're in a library
It must be World Book Day...

VERSE 1

You can be an astronaut
Or a knight of Camelot
You can be a monster that looks funny
Be a Princess in a tower
Or hero with a super power
Maybe even an Egyptian Mummy
You can be who you want to be

CHORUS

It's World Book Day
It's World Book Day
There's a book for you no matter how you're feeling
It's World Book Day
It's World Book day
So get dressed up and show them what you're reading

VERSE 2

You can be that clever mouse
A giant bigger than your house
Or have a cup of tea with the Mad Hatter (Ha Ha Ha)
A tortoise who becomes a winner
A Queen who has a magic mirror
Or sit with Mr Stink and have a natter
You can be who you want to be

CHORUS

VERSE 3

Invite that tiger round for tea
And wear your scar like Harry P
That hungry caterpillar just needs feeding
Roar just like the Grufallo
Go through the wardrobe to the snow
Let's get dressed up and show them what we're reading

CHORUS X 2

Hello my lovelies, I have been chatting to all of my friends about World Book Day. They've all set challenges for you. How many can you complete?

Read a book from the library.

Read an adventure story.

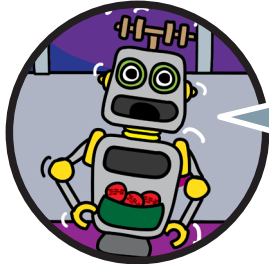

Read a book in the dark with a torch.

Read a story from another country.

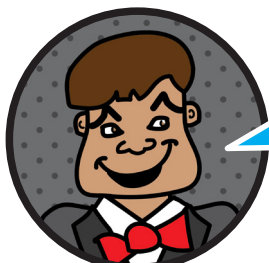

Read a book to a grown up.

Read a book with your friend.

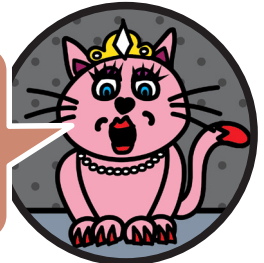

Read on a tablet, mobile device or computer.

Read a non-fiction book.

Read a poem.

Read a book with an animal in it.

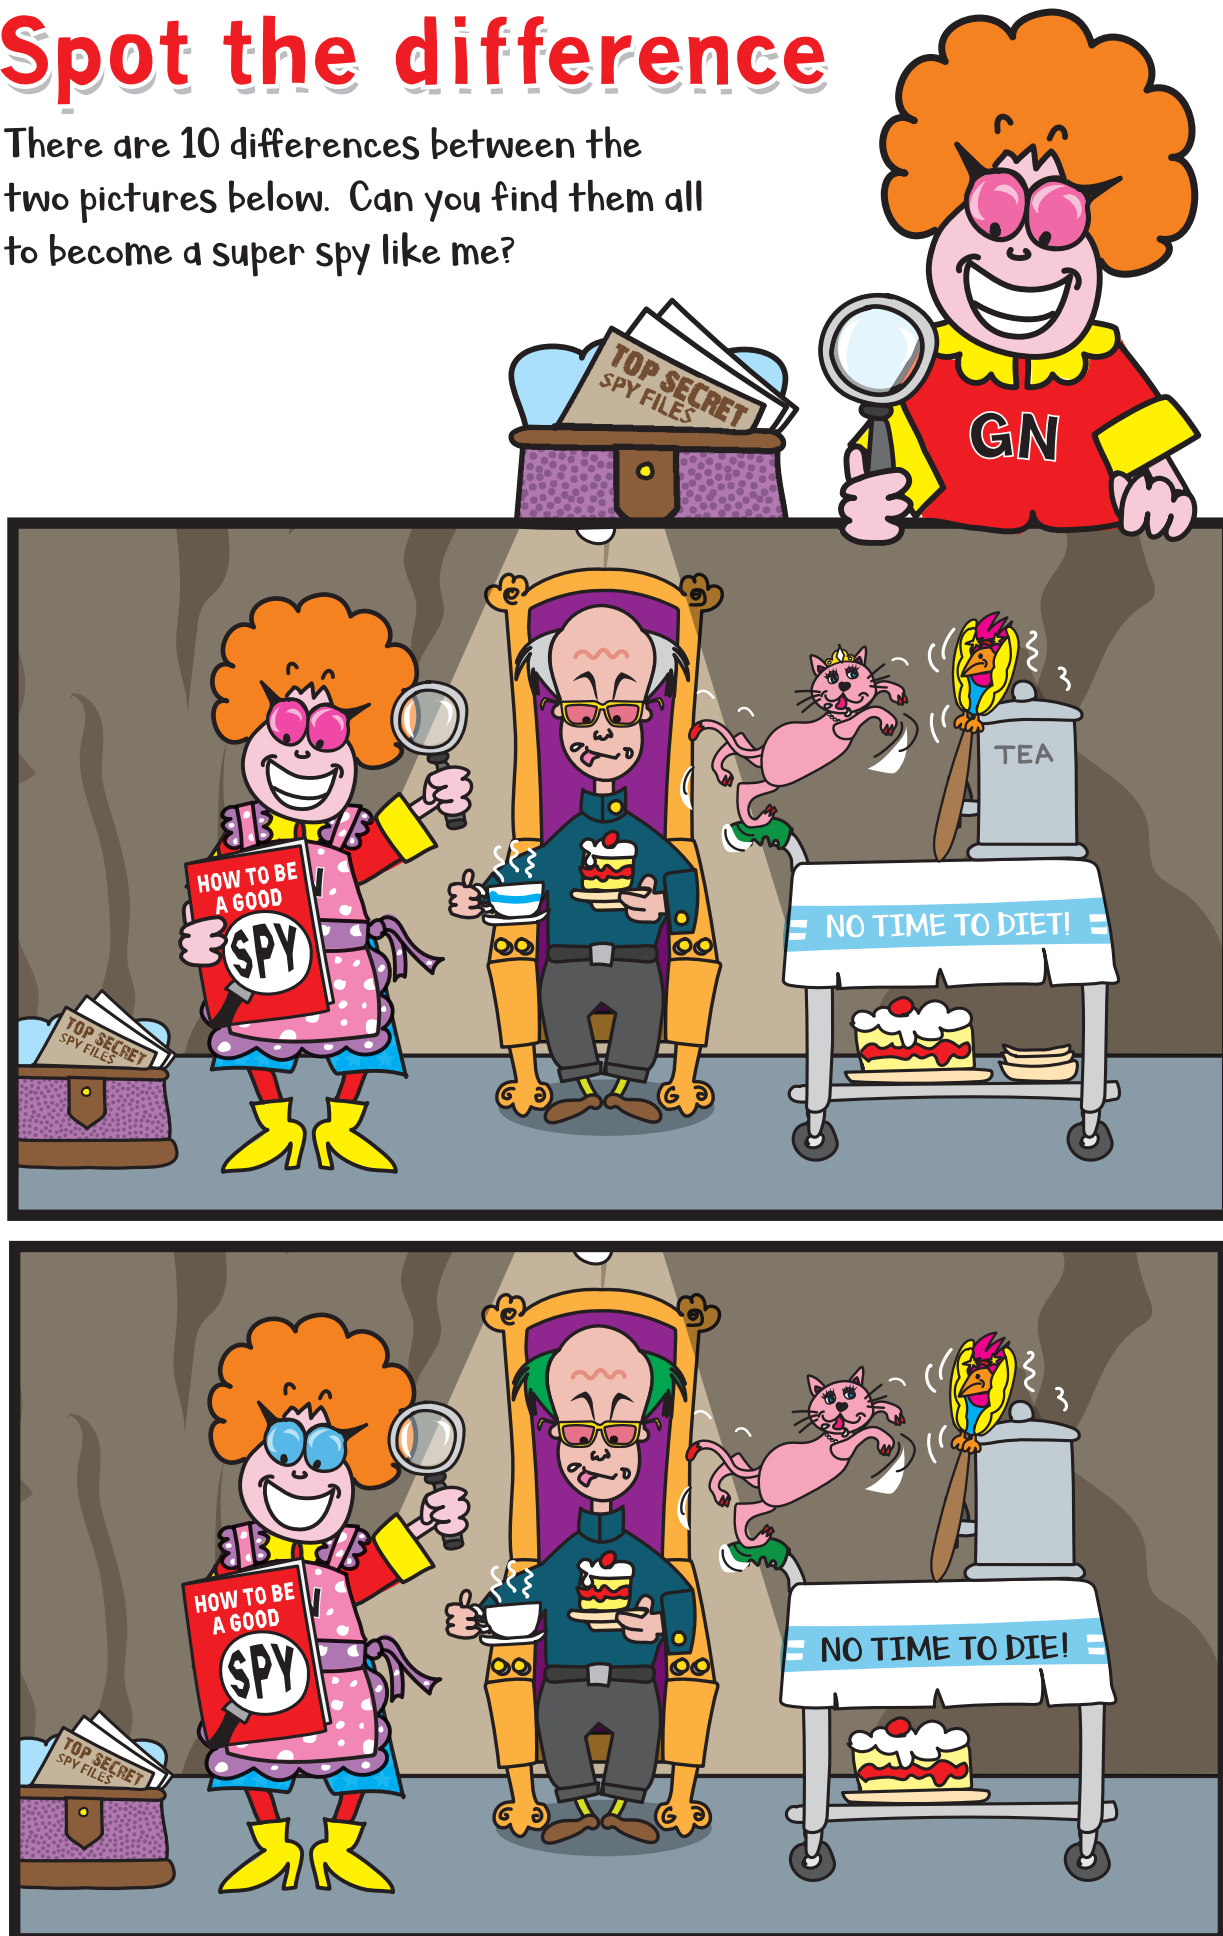

Read a bedtime story.

Read in the hall or in another classroom.

Spot the difference

There are 10 differences between the two pictures below. Can you find them all to become a super spy like me?

Word Search

Here's another brain baffle that I found in my Disco Bag. Can you find all the hidden words in this tricky wordsearch?

I think I might have to ask Engelbert for a bit of help with this one!
